★★★★★ **Touched my heart!** September 4, 2015

I honestly didn't expect this book to bring tears to my eyes. Not only did it do that... More than once I found myself sobbing. Not in sadness but in hope! Hope in knowing that no matter how tough life can get, there is always "Light" at the end.

In all sincerness, several times throughout the book I thought to myself, "I needed to read that line, paragraph or page. It's speaking to me. Better yet, God's speaking to me"!

Best book I have read in years! Thanks for sharing this incredible story!

This is the definitive conversion story from a man who has seen the worst in life I am impressed with his humility and proud to call him friend.

★★★★★ **The messages that you receive from his book are too ...** July 11, 2015

The messages that you receive from his book are too numerous to mention in one review. First, you can see how sin can and will control our lives and take our spiritual and physical bodies captive, ALMOST to the brink of no return. Secondly, we see how the power of prayer from his family separated him from a sinful existence and brought him to a life of active faith. I had goose bumps as I read Tom's encounter with our Mother Mary and how his life did a 360, from sin to a life of prayer and action in his Catholic faith. Tom, you need to go on EWTN and discuss your conversion story. God bless you and thanks for sharing your hope with the world.

★★★★★ **Antidote to Disillusionment** June 29, 2015

Tom Eades has written a moving witness-book, recounting his return to the Lord from the darkness of hell. He convinces his readers that God is still at work in this world. The story of Pasha, the traumatized Russian child, that he swooped up in his arms and danced around a room with while shouting, Praise the Lord! in Russian, will stay with me as long as I have a memory. Each time I recall it, I thank God for the presence of that mountain of a man at the right place, at the right time, by the grace of God. As the Talmud states: "To save one life is to say the world entire." I consider myself blessed to know a man who did his part. I highly recommend this book to anyone looking for and antidote to disillusionment.
